2022/23 BROCHURE

HELLO!

I'm Sam (not so) Savage and I own South Coast Weddings.

I've been a wedding planner for more than a decade so you could say that I've seen it all.

I love, that now more than ever, people feel that they can have the wedding day that they want, rather than one they feel they should have, and I'm here to help make that happen!

A few things you may/may not want to know about me...

- I have dual British & Canadian Citizenship
- I have a son who we named after a waiter from our honeymoon
- I never say no to a cup of tea

- I'm a crier. If you're crying, so am I. Even if I don't know why!

- I love people! I'm fascinated by everyone's life stories.

Most of all, I want people to know that there is no such thing as a stupid question, although you shouldn't take that as a challenge!

But seriously, if you haven't planned a wedding before, how would you know anything or everything? That's what I'm here for!

I look forward to hearing your story!

SAM

WHAT'S THE PROCESS?

You've decided that you need some help with your wedding planning or on the wedding day or both!

If you already know which package you'd like, simply drop me an email to check my availability.

If you're not sure which package you need, drop me a message and we can have a chat. I'm not going to sell you something you don't need, so rest assured, I'll be completely honest with you.

Depending on which package you book, we may have lots of contact or not a lot until nearer the wedding day.

Of course, if it's a Full Plan, we'll be in touch very frequently. And, if it's On the Day Coordination, it'll be much less until nearer the wedding day.

Once you've chosen your package, I'll send you an electronic booking form, along with the Ts & Cs and when you've filled that in, I'll send you an invoice for the deposit.

IT'S YOUR WEDDING

"WE DON'T WANT A TRADITIONAL WEDDING"

"DO YOU THINK IT'S OKAY IF WE DO THIS?"

"I'M NOT SURE IF IT'S THE DONE THING BUT..."

Let me make one thing clear; IT IS YOUR WEDDING!

If you are happy, I am happy. I am not here to judge you or push my opinions on you.

I am, of course, here to offer my professional advice but if you'd like a wedding that's traditional, non-traditional, weird and wacky, sensible, off the wall or down right bonkers, I am here to make it happen, just the way you'd like it.

Nowadays, wedding are not the cookie-cutter days that they used to be and really, anything goes, so don't be afraid to put your own stamp on your wedding day and create the day that you really want!

If you're not sure how to make that happen, that's why you hire me! If I don't know a supplier for something niche, I will soon find one.

If, at the end of the day, you're both smiling from ear to ear, my job is done!

PACKAGES

FULL PLANNING

Full Planning is just that; everything from the moment you book.

You can have as much or as little involvement as you'd like.

I will manage the budget, supplier sourcing, bookings, timings, all communication with your venue and suppliers, invitations and RSVPs and everything in between as well as being with you on the day itself to coordinate.

Each wedding is different so we would have an in-depth chat so I can get on with the planning, knowing exactly how you see your wedding.

£6000

PARTIAL PLANNING

For couples with 3-6 months to go until their wedding, who need an extra hand with pulling everything together.

I will take over the planning from where you've left off and ensure your venue and suppliers have all the timings and information they need, as well as making sure that you know when your balances are due with the venue and suppliers.

If preferred, I can also manage your RSVPs but everything is managed in a way that you are comfortable with, to make your lives easier and take away your stress.

£2600

ONE MONTH TO GO & ON THE DAY COORDINATION

This close to the wedding is when panic sets in for most people.

Suppliers are asking you questions you don't know the answer to and there's a lot of admin to do with RSVPs, dietary requirements, confirming timings and so on.

I will take everything off of your hands and you can breathe a sigh of relief.

On the day, you don't need to worry about a thing. I will be there from set-up to ensure everything is how you'd like it to be. I'll also gently coordinate the day so it all feels easy for you.

£1295

PLAN AS YOU GO

If you need some help but it doesn't fit in to any of our other packages, then this is probably the option for you.

With the Plan as You Go Package, you can use ten hours of my time as and when you need help.

Perhaps you need help with ideas for the day, sourcing suppliers, working out timings or organising all of your wedding bookings.

More hours can be booked if needed.

“Sam’s hard work with our other suppliers just made the day so perfect. She was a calming influence when things were stressful and the day was the smooth, relaxed vibe that we wanted. She understood what we wanted and really made sure it came to life. The services Sam offers are worth every penny and I wouldn’t recommended getting married without Sam!”
